WORK EXPERIENCE

Software Engineer Intern

Mar 2020 – Apr 2020

JumpOffCampus, Inc. | San Francisco, CA

- Implemented full stack overhaul of “roommate” feature as part of app’s transition from Ruby on Rails v2 to v5, updating MVC components of the roommate RESTful resource, e.g., writing database migrations for new table columns, refactoring model validations, and updating controller and views to cleanly handle two page profile creation form
- Added Rspec test suites to increase test coverage of roommate feature
- Utilized Haml, Bootstrap, and React to build responsive, pixel-perfect pages to conform with Figma design specifications
- Strengthened security of backend validation to address bug that allowed front end users to maliciously register as admin

Medical Evaluations Assistant (Emergency Room Technician)

Dec 2014 – Jan 2020

Zuckerberg San Francisco General Hospital | San Francisco, CA

- Delivered efficient care to patients (via performing procedures such as blood draws, electrocardiograms, and CPR) in collaboration with nursing staff, tracking time-sensitive doctors’ orders for 20+ patients at a time
- Trained a new hire semiannually through month-long orientation process, communicating progress to nursing supervisor

Emergency Medical Technician- Basic

Feb 2013 – Feb 2015

Westmed Ambulance | San Leandro, CA

- Assessed, treated, and transported emergency and interfacility-transfer patients (6-8 per day on average) of all ages in safe and timely fashion
- Documented and verbally conveyed patient care reports to medical staff at receiving facility per professional standards

Camp Counselor (Sports Instructor)

Jun 2010 – Aug 2012

Cal Youth Camps, Blue Camp | Berkeley, CA

- Designed 3-month summer lesson plans and instructed 6 sports classes each day consisting of ~15 campers aged 7-13
-
